Old Business

1. Motion by Slucter, second Verlinde, to retable the Interstate sewer line request until the next meeting. Motion carried.

New Business

1. Hughes presented a request to purchase new pumps for lift station #7 as there is excessive wear on one pump and, because it is a two-pump system, it would be prudent to order two given the fourteen-week lead time. Motion by Slucter, second Verlinde, to recommend adoption of a of budget amendment to the Dimondale Village Council and the Windsor Township Board. Motion carried.
